We undertake to say that Congress prisal this side of hell. does not approve of Mr. Wilson's advocate's method, regarding it as an invasion of its prerogative; and we are sure that the people dislike, distrust and fear it. Senator Gallinger may not be right when he says that E EVENING SUN, Per Month.... 23 President Wilson's appearance be-E EVENING SUN (Foreign), Per Mo. 1 05 fore the two houses is a "grand stand play." Our impression is that he follows out his theory of party leadership in talking to Congress like a schoolmaster, reading his thesis and pointing the way to the legislation he wants. Mr. Wilson's idea is that the President should be supreme in his party and rule his Cabinet, and should also, according to his lights, be the pillar of the people's hopes. This is so difficult a task that Mr. Wilson succeeds only in appearing to strive to be a political boss.

A Parable of Shame.

The muzzle of the Highwayman's gun was within an inch of the Wayfarer's left ear. "If you don't hand out in two minutes I'll blow the top of your head off!" remarked the organized agent of Social Justice.

The Policeman on that beat ac knowledged in beautiful English that icy is an incessant incitement to it was his function to prevent so aw-

> "It is therefore my advice," he added, "that you hand out the wad at once, as this gentleman requests. I have his private assurance that he really means to shoot. I have reason to believe, however, that if you comply with sufficient promptitude the detonation will be postponed. This much I have been able to do for you. I shall also think over measures to protect you from similar annoyance in the immediate future."

"Do you mean," stammered th to yield to his outrageous threat?" "Very frankly," said the Policeman,

"that is the situation." Thus under Executive auspices the with the business of the community. vice to Society and Humanity,
